MEET OUR CHAIRMEN

**“WE ARE ESTABLISHING A BRIDGE OF PRECIOUS
DEPENDABILITY”**

-Eng. Marzouk Mansour Chairman

“With extensive experience in real estate development and strong partnerships with major companies and consultancy firms across the globe, our Saudi Arabian and United Arab Emirates-based companies have unveiled a new vision to revolutionize real estate development in Egypt.

We believe that the ultimate goal of the real estate industry, rather than just developing residential, administrative, or commercial units, is to create a means for daily satisfaction via reconstruction for improvement and luxury.”

"STRENGTHENING THE SAUDI-EGYPTIAN PARTNERSHIP"

-Saudi Investment Representative and Board Member Eng. Salem Al Saudais

"Al Tameer Arabian is a collaboration and partnership between **Saudi and Egyptian partners in the Egyptian market**, owing to the strong ties that exist between the Kingdom of Saudi Arabia and the Arab Republic of Egypt, as well as the fostering of many Saudi investments in Egypt via investment companies and the Saudi Sovereign Fund.

We anticipate greater investments in the next years, not just in the real estate development sector, but also in other areas, such as agriculture, trade, construction, and manufacturing. Our work is confidently based on the visible cultural legacy and strong economic contacts between both nations and governments, which are supported by our experience and successes in the Kingdom since the early 1990s.
